

## Energy-Efficiency Rebate Program Special AHMA Member Benefit.

Receive access to a dedicated  
multifamily energy-efficiency expert.

### Saving money on your property upgrades just got easier.

If you are an apartment owner or property manager, you now have access to a full suite of offers to help make your property more energy efficient—all right from your computer, tablet, or phone. SoCalGas® Multifamily offers include:

-  Rebates of up to \$3,000 on individual qualifying energy-efficient equipment.
-  Customized, substantial incentives along with no-cost energy audits for whole-building retrofits.
-  Zero percent loans available for qualifying central hot water equipment.
-  Coming soon: No-cost energy-efficiency products installed by authorized contractors.

**For step-by-step guidance on how to maximize your rebates and to find out about additional benefits, contact our team today.**

The SoCalGas® Multifamily Energy Efficiency Rebates Program is funded by California utility customers and administered by Southern California Gas Company (SoCalGas®) under the auspices of the California Public Utilities Commission. ICF provides marketing support for this program pursuant to a contract awarded to ICF by SoCalGas, which contract expires on December 31, 2020. Program funds will be allocated on a first-come, first-served basis until such funds are no longer available. This program may be modified or terminated without prior notice. SoCalGas does not endorse, qualify or guarantee the work of any third party contractor utilized in connection with this program. California customers who choose to participate in this program are not obligated to purchase any additional services offered by any such contractor.
